

The Objectives of the AEEC are:

- To unite school employee Locals in the Province of Alberta into a cohesive structure.
- To improve wages, benefits, job security and working conditions of all school employees in the Province of Alberta.
- To support each affiliate morally and financially in their time of need.
- To strengthen and unite through shared knowledge and information.

The Objectives of the AEEC are to be accomplished through the following methods:

- To set common goals for Collective Bargaining.
- To inform affiliates of contemporary Collective Bargaining information and effectively communicate both the progresses being made during negotiations and all settlement agreements.
- To promote Coordinated Bargaining where common language can benefit all locals.

AEEC memberships is open to all CUPE Education Locals within Alberta.

Support Us and Support Alberta's Schools

The CUPE Alberta Education Employees Committee (AEEC) works to unite school employee locals. We support one another. We share knowledge and information. We promote the role of all education employees in Alberta's education system.

Committee members meet to discuss common goals for collective bargaining. We collect and share information on bargaining trends and settlements within the Province.

AEEC Mandate

CUPE Alberta Sectoral Committees exist to co-ordinate activities of CUPE locals within the same area of the public service. The Education Committee works to plan bargaining strategy, public relations campaigns and government lobby efforts, as well as acting as an avenue for education locals to keep each other informed of their activities

Join us and help make a difference for education workers and to strengthen publicly funded education in Alberta.
